

# From Creased Napkin to Working PoC *in One Week*

# 5 PHASES OF DELIVERING A DESIRABLE POC

- **DISCOVER** know the business requirements
- **DESIGN** bring the ideas to life and gather user feedback
- **DATA** use “productive dummy” data
- **DEVELOP** web, hybrid, native
- **DEPLOY** know your target audience

# **SAP CLOUD PLATFORM**

DISCOVER

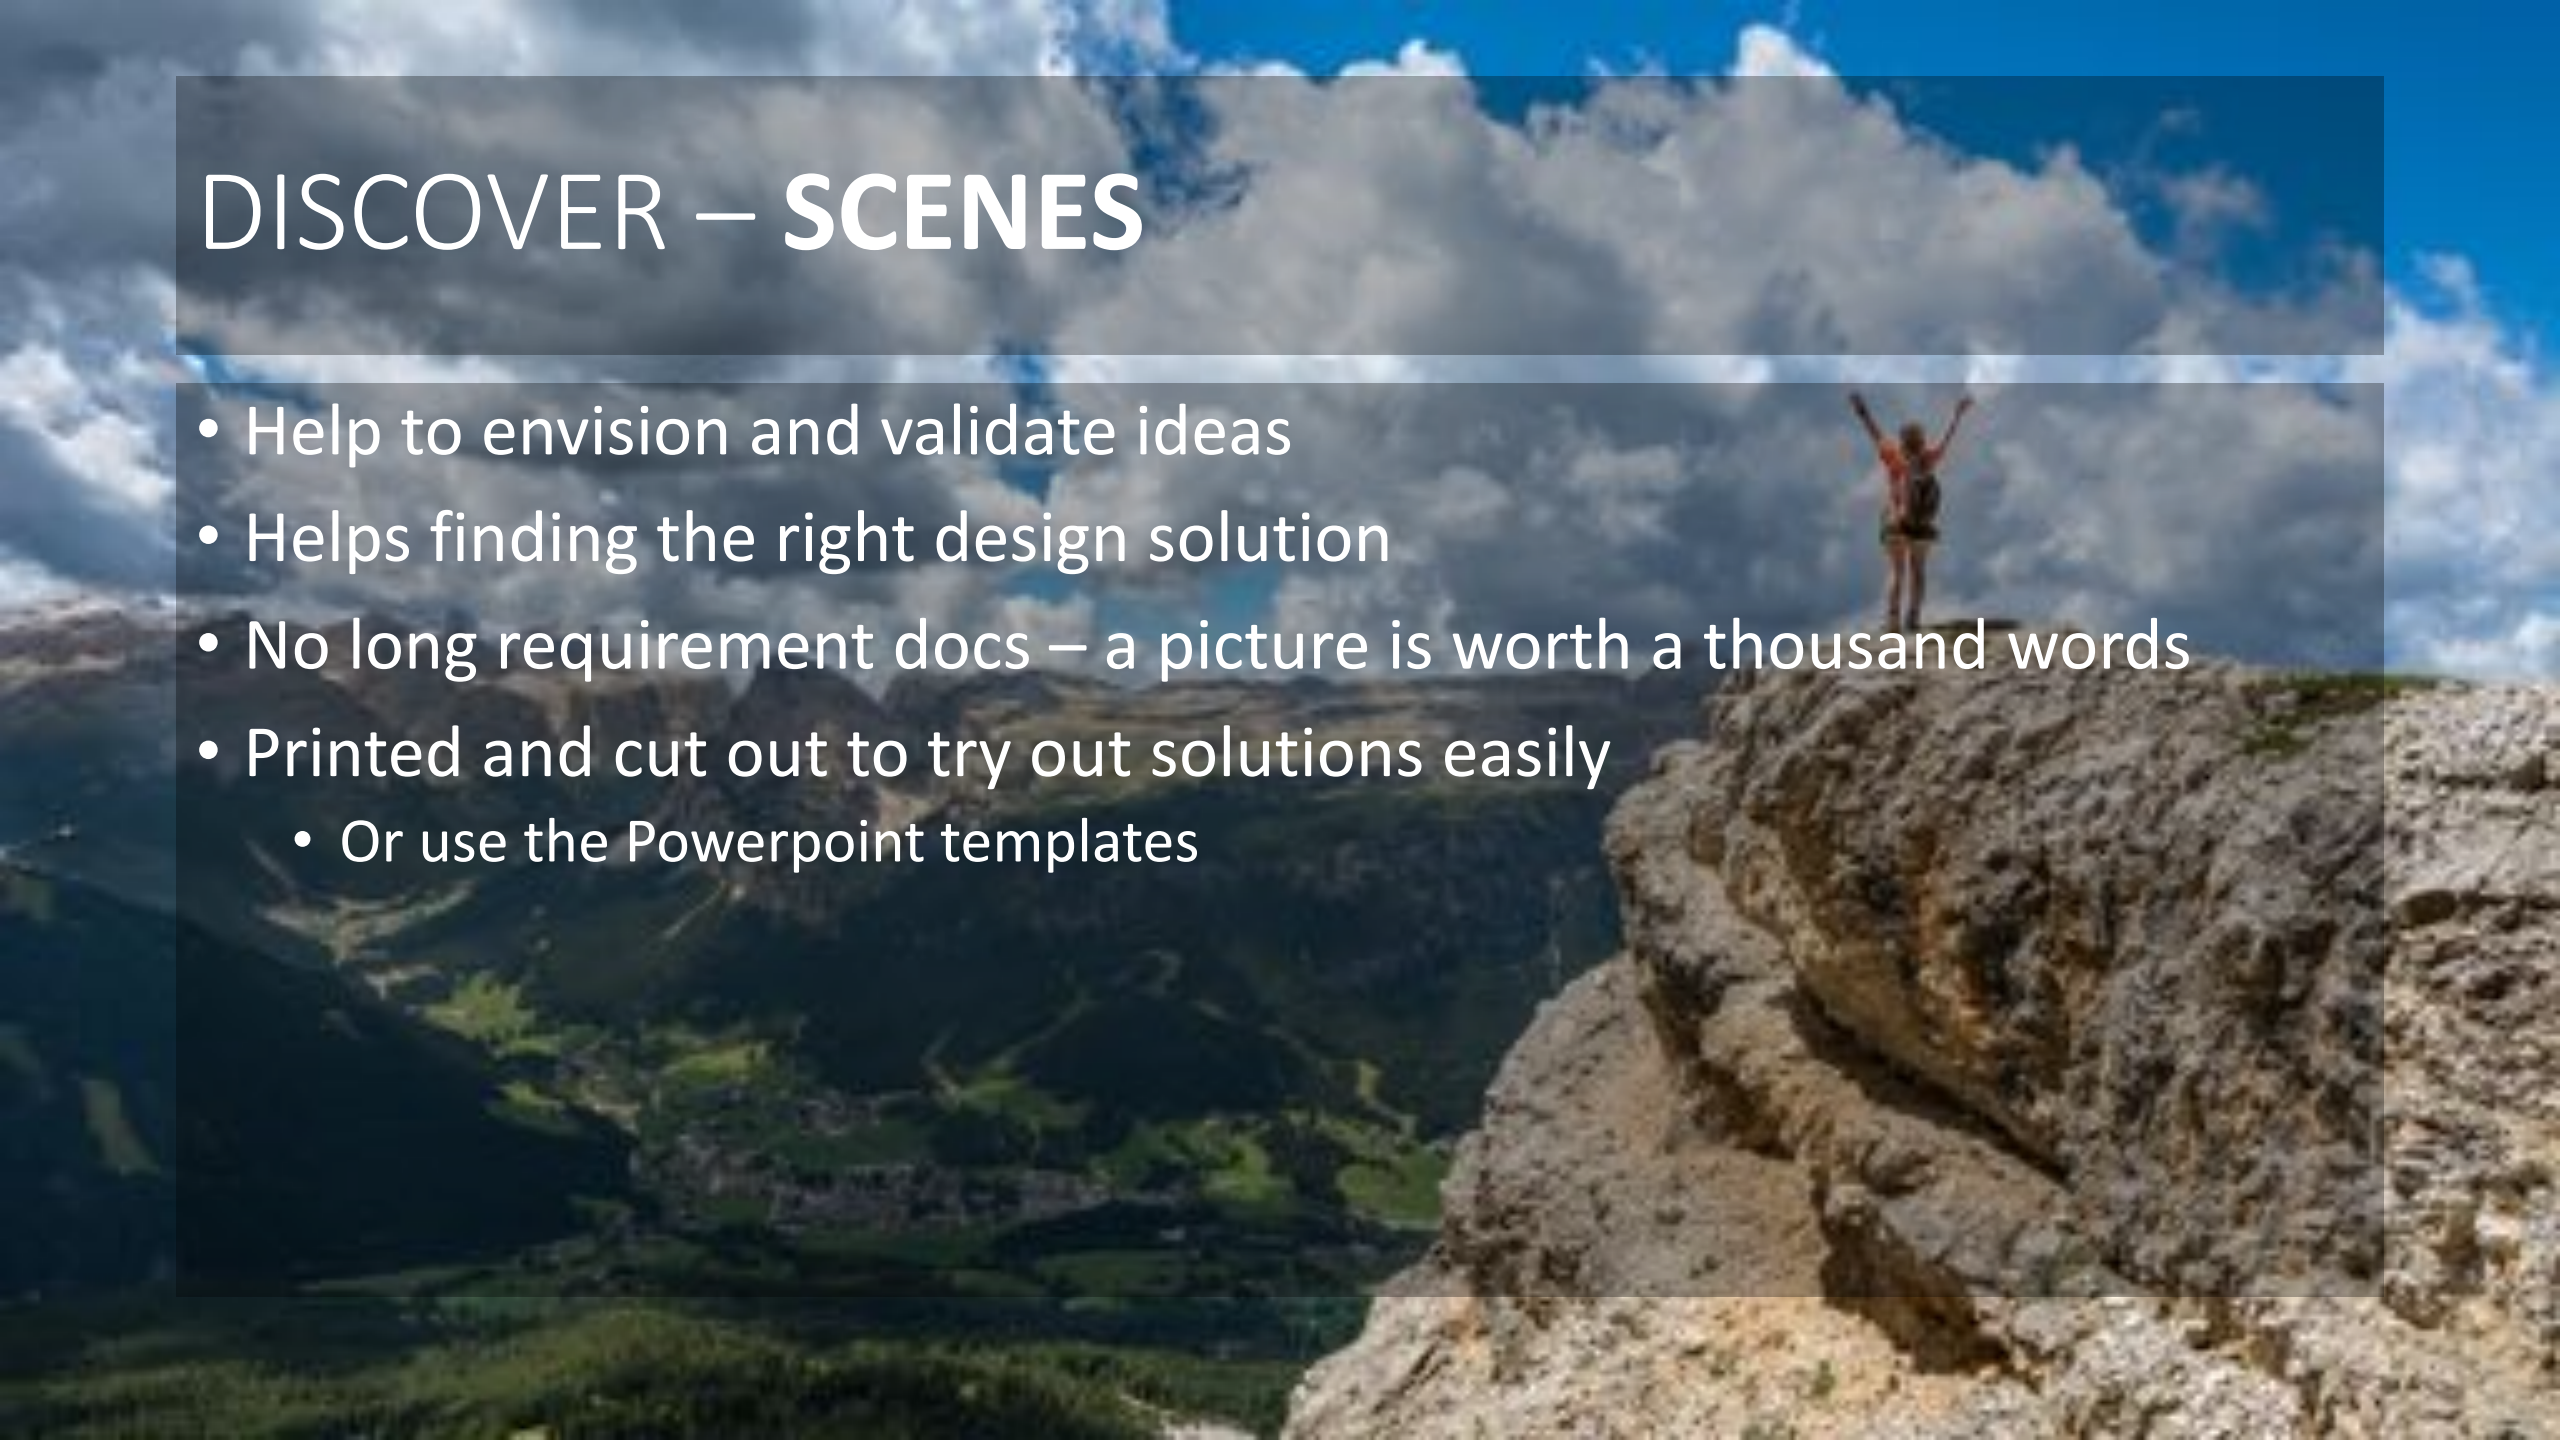

SCENES

# DISCOVER – **SCENES**

- Help to envision and validate ideas
- Helps finding the right design solution
- No long requirement docs – a picture is worth a thousand words
- Printed and cut out to try out solutions easily
  - Or use the Powerpoint templates

DISCOVER – SCENES

<DEMO>

DESIGN

**SAP BUILD**

# DESIGN – SAP BUILD

- Use pictures or sketches to create clickable prototypes
- Create high-fidelity prototypes with Fiori design templates
- Browse from gallery of designs and clone to your project
- Gather user feedback with built-in user research capabilities

DESIGN – SAP BUILD

<DEMO>

DATA

# SAP HANA MDC

# DATA – SAP HANA MDC

- Multi-database container
- Using XSA, create a datamodel and Odata service \*fast\*
- Import CSV data

DATA – SAP HANA MDC

DATA

# SAP API BUSINESS HUB

# DATA – SAP API BUSINESS HUB

- Central catalog of all SAP and partner API's
  - SAP S/4 HANA
  - SAP Leonardo
  - SAP SuccessFactors
  - SAP Hybris
  - SAP Concur
  - Etc...
- Without access to an actual system, you can now test, accelerate and explore integrations

A top-down view of numerous colored pencils and markers arranged in a circular pattern on a white surface. The colors transition from greens and blues on the left, through yellows and oranges at the top, to reds and pinks on the right, and finally to purples and blues at the bottom. The pencils are sharpened and point towards the center.

A photograph of a workspace featuring a silver laptop on a wooden desk. A pen and a piece of paper are also on the desk. The image has a purple tint. Two semi-transparent grey boxes with white text are overlaid on the image.

DEVELOP

**SAP WEB IDE**

# DEVELOP – **SAP WEB IDE**

- **Web-based IDE**
- **Build apps with SAP Fiori UX design principles using SAPUI5**
- **Connect securely to your ABAP backend**
- **Integration with SAP Fiori Launchpad, SAP Fiori Cloud, Git, etc.**

A photograph of a workspace featuring a silver laptop on a wooden desk. A pen lies on a piece of paper next to the laptop. A semi-transparent dark grey rectangle is positioned in the upper left corner, containing white text. Another semi-transparent grey rectangle is centered over the laptop keyboard, containing the text '<DEMO>'.

**<DEMO>**

A close-up photograph of a person's hands holding a smartphone. The person is wearing a ring on their finger. The background shows a laptop keyboard and a wooden desk. The image has a warm, slightly blurred aesthetic.

DEVELOP

# SAP CLOUD PLATFORM SDK FOR iOS

A close-up photograph of a person's hands holding a silver smartphone. The person has pink nail polish and is wearing a ring on their left ring finger. The phone is held over a laptop keyboard, which is partially visible in the foreground. The background is blurred, showing a desk and some papers. The overall lighting is warm and soft.

# DEVELOP — **SAP CLOUD PLATFORM SDK FOR iOS**

- Build secure native iOS applications
- Best possible User Experience, taking advantage of native iOS features
- SAP Fiori design language on top of Apple's HIG

A close-up photograph of a person's hand holding a silver smartphone. The hand has pink nail polish and a ring on the ring finger. The phone is held over a laptop keyboard, which is partially visible in the foreground. The background is blurred, showing a wooden desk and a small blue object. A semi-transparent dark blue banner is at the top, and a semi-transparent grey banner is in the center, both containing white text.
