The screenshot shows a web browser window with a dark blue header bar. The title bar includes several tabs related to SAP and the current page's URL. Below the header is a navigation bar with links for 'Apps', 'Bookmarks', and 'Chrome://'. A user profile icon 'RH' is in the top right corner.

The main content area has a white background. At the top, it says 'HEY THERE! WELCOME TO THE STUDY'. Below that is a large, bold heading 'Initial Design'. Underneath the heading, it says 'Created by Robin van het Hof'. To the left of the heading, there is a graphic of a clipboard with a checklist and a pen.

Below the heading, a message reads 'Please validate the application flow'. Underneath this message, it says 'This study contains 1 question'. There is a blue rectangular button with the text 'START STUDY' in white. Below the button is a checkbox labeled 'Stay anonymous' with an information icon next to it. A red lightning bolt icon is positioned on the right side of the main content area.

At the bottom of the page, a green footer bar contains the text 'Preview Mode. No data is being recorded.'
